## EDUCATION

**Bachelor of Technology in Computer Science and Engineering** *Sept 2023 – Aug 2027*  
Sree Buddha College of Engineering, APJ Abdul Kalam Technological University Patoor, Kerala  
*Relevant Coursework:* Data Structures, Algorithms, Object-Oriented Programming, Database Systems, Web Technologies

## TECHNICAL SKILLS

**Languages:** Python, JavaScript (basic exposure), HTML, CSS (basic exposure)  
**Frameworks & Libraries:** React, Node.js, RESTful APIs  
**Tools & Technologies:** Github, Figma, Responsive Design, Version Control, GenAI tools such as Lovable, Bolt etc..  
**Design:** UI/UX Design, User Research, Wireframing, Prototyping, Information Architecture, Design Thinking, UX Analysis

## EXPERIENCE

**UI/UX Developer** *Aug 2025 – Present*  
*The Purple Movement, Thiruvananthapuram, Kerala*

- Designed and developed user-centered interfaces for digital products, focusing on accessibility and responsive design
- Collaborated with cross-functional teams to translate user requirements into intuitive design solutions
- Conducted user research and usability testing to iterate on design prototypes and improve user experience

**UI/UX Core team** *Dec 2025 – Present*  
*Mulearn Foundation, Thiruvananthapuram, Kerala*

- UI/UX Core Team Member at pLearn Foundation, responsible for planning and conducting interactive IG (Interest Group) sessions.
- Contributed to community learning by mentoring peers and coordinating design-focused activities

**UI/UX Interest Group Lead** *Aug 2025 – Present*  
*Mulearn SBC, Sree Buddha College of Engineering*

- Mentored 50+ students in UI/UX principles, design thinking methodologies, and prototyping techniques
- Spearheaded initiatives to promote user-centered design practices and foster innovation within the campus community
- Coordinated collaborative projects focusing on solving real-world problems through design

**IEEE Program Coordination Team Member** *Jun 2025 – Present*  
*IEEE Student Branch, Sree Buddha College of Engineering*

- Coordinated logistics and program scheduling for IEEE events, improving attendance by 30%
- Facilitated knowledge-sharing sessions on emerging technologies and industry trends

**Tech Team Member** *Sept 2025 – Present*  
*TinkerHub SBCE, Sree Buddha College of Engineering*

- Contributed to technical projects and collaborative coding initiatives within the TinkerHub community
- Participated in code reviews and technical discussions to enhance team development practices

## PROJECTS

---

### **The Purple Movement Website** | *Figma ,UX Research*

- I collaborated with a team to design the UI for the official Purple Movement community website.
- This project strengthened my team collaboration, communication, and user-centered design skills.

### **Beyond syllabus** | *Figma ,UX Research*

- Designed the light mode UI for the main page of Beyond Syllabus, an open-source software project.
- This experience enhanced my UI design skills.

### **Tinkerhub SBCE** | *Figma ,UX Research*

- Designed the UI for Tinkerhub SBCE website.
- This experience enhanced my UI design skills and help build teamwork.

### **ChadGPT** | *React ,Gen AI(Lovable)*

- Developed ChadGPT, a fun experimental AI that converses in Malayalam using Generative AI.
- The project was created for learning and experimentation, with no specific practical application.

## CERTIFICATIONS & ACHIEVEMENTS

---

### **The Joy of Computing with Python** – NPTEL Certification

**Leadership Roles:** IEEE Member (Mar 2025 – Present) Mulearn SBC UI/UX Lead (Aug 2025 - Present)  
Mulearn Foundation UI/UX Core Team (Dec 2025 - Present)
